

# STATEMENT OF COMMITMENT TO WOMEN'S HEALTH IN 2008-2012 COUNCIL TERM

(Return to [reception@whe.org.au](mailto:reception@whe.org.au) by 10 am Friday 7 November 2008.)

I Alex Makin, as a council candidate for the 2008 Maroondah City Council elections, am committed to the health and wellbeing of all women in this municipality.

If elected as a Councillor for the 2008-2012 term of office, I will demonstrate my commitment to women's health by:

- (a) Moving and/or supporting motions to implement the ten action points outlined in the Safe, Well and Connected: Victorian Local Government Action Plan for Women's Health 2008-2012.
- (b) Inviting Women's Health East to provide a briefing to *all* councillors on women's health and well-being issues and local government's role in addressing these issues.
- (c) Attending at least one training session on women's health and wellbeing issues run by women's health services.

I understand that successful candidates will be contacted in 2009 regarding their election commitments to women's health and well-being.
